

Environmental Policy Statement

BCP Systems, Inc. is committed to conducting its business in an environmentally responsible manner. We recognize that efficient resource use and protection of the environment are vital for the continued success of our operations and provide a valuable benefit to our customers, employees, and communities.

This requires each employee of BCP Systems to participate in and accept responsibility for achieving the following goals:

- Comply with all applicable laws, regulations and codes of practice
- Continually improve our environmental performance
- Increase recycling and prevent the causes of pollution on the site
- Implement a system to monitor and review improvement programs
- Provide appropriate training to all employees

All employees are expected to comply with the spirit as well as the letter of this policy.
